Request by the City of Derby to perform general maintenance and removal of vegetation along the army Corp Berms and flood control dykes/sructures along the Housatonic River.

A. Baklik sated that the City is waiting for approval from Inland Wetlands to sign the contract with the Army Corp. R.McEvoy stated that along the Naugatuck River it is maintenance work to remove vegetation. P. Dinice stated that he spoke with Ansonia about this. R. McEvoy stated that it is selective clearing and the work will be done by hand along the rip rap slope.

J. Desroches moved that the Inland Wetlands Agency finds that permit is not required to perform ongoing maintenance and removal o vegetation along the dykes adjacent to the Naugatuck and Housatonic Rivers as maintenance. The WEO can provide updates to the Board on the work. The motion was seconded by R. Bowers and carried unanimously.

S. Buda stated that he has some concerns above erosion on the bank at Two Mile Brook and felt that debris that is in the brook is a result of the erosion. R. McEvoy stated that he went to the site and reviewed conditions. He stated that the erosion is actually within the Town of Orange and only certain elements are under the jurisdiction of this Agency. He stated that in the short term the owner can request permission from

A motion to adjourn was made by R. Bowers, seconded by J. Desroches and carried unanimously. The meeting was adjourned at 5:10 p.m.
