6. Old Business

No Old Business to discuss.

7. New Business

Chief Narowski briefed the commission that our department was flagged for a follow-up visit regarding the state's Racial Profiling Prohibition Project. The follow-up analysis summary did indicate that Derby does issue more misdemeanor summonses to minorities but that this was not statistically significant. They also noted that we have a high search rate for vehicles stopped. This is due to the fact that our agency has an inventory policy for vehicles that we tow. The study results will be coming out within the next month.

8. Department Reports

Chief Narowski updated the commissioners on the department's patrol activity. He also reviewed the status of the police department's budget. There was nothing significant to report.

9. Communications

Chief Narowski updated the commissioners regarding two FOI requests the department has been working on.

10. Traffic Authority Business

No LTA Business to discuss

11. Executive Session

No Executive Session was held.

12. Adjournment

Commissioner Bartholomew motioned to adjourn at 6:13PM. Commissioner Pollastro seconded and the motion carried.

Respectfully submitted,

Jessica Chueka
