

Park and Recreation Commission

Andrew Cota, Chairman

Beverly Moran
James Benanto
Ronald Sill
James Butler Sr.
Bruce Sill
John Bittmann

Minutes

(meeting recorded)

Monthly meeting: Monday September 9, 2019 in City Hall.

Meeting was called to order at 7:00 p.m.

By roll call, members present: Andrew Cota, James Benanto, Ronald Sill, James Butler Sr., Bruce Sill and John Bittmann. Beverly Moran was excused.

Parks and Recreation Director Dennis O'Connell and Athletic Director Matthew Bradshaw were present. Also present was Ken Marcucio.

ADDITIONS OR DELETIONS TO THE AGENDA:

Without objection the agenda was accepted as presented.

APPROVAL OF MINUTES:

MOTION made by James Butler Sr. and second by John Bittmann. Move to accept the meeting minutes of August 12, 2019, as written. Motion carried unanimously.

PUBLIC PORTION:

John Sonsini of 323 Hawthorne Ave. stated that he had donated a part of his land toward the new football facility. Now, his property is a shambles and he has reached out numerous times but there has been no response. Appointments were scheduled but they were no shows. He does not know where to turn. He has bent over backwards to accommodate the project. A fence was taken down and he understood in the plans that there would be trees in a buffer zone between the properties. That is not what is there now.

Mr. Cota indicated that there will be an Athletic Complex Building Committee meeting tomorrow night at City Hall at 7:30 pm.

CORRESPONDENCES:

Nothing was presented.

DIRECTOR REPORTS:

Mr. O'Connell reported that the new facility is moving forward. The custodial supervisor position has been filled by Jose Figerola who has also been involved with Pop Warner. The position is for up to 20 hours per week. The custodian position has been filled by Tom Lionetti. The position is for up to 10 hours per week. Both were present this evening and they have already been receiving training on the new facility.

Members understood when the budget was being developed that the staffing would be scheduled as per need. During some times of year they would be working more as the facility is more active at that time. When the facility is in an off-season time, the need would be far less.

Mr. Cota indicated that the Board of Alderman have determined the staffing needs for the start of the use and once the actual needs are determined the operations can be discussed and possibly modified.

Training is being provided by the contractors with all participants attending the presentations. Parks & Recreation, the Athletic Department and Public Works have all been very receptive to this training.

The first home football game is scheduled for September 20th. As of today the press box and bleachers are not ready. The football field has not yet been turned over to the City and no games can be played until that is accomplished. Mr. O'Connell is hopeful that the certificate of occupancy for the field house will be issued on September 12th and this will allow him to start familiarizing the staff with the building and also to bring in custodial supplies to ready the facility for the opening. He and appropriate staff will be meeting with Musco, the lighting contractor, to learn how to manage the lighting system.

Mr. O'Connell noted that the Pop Warner season is underway. There is one football team and five cheerleading squads.

High School Athletic Director's Report: Mr. Bradshaw indicated that the fall programs are underway and anxious to utilize the new facility. He and coaching staff have been going over training of the new facility functions. He has prepared a detailed list to reference for the functions of the facility. He is working on the scheduling of the use. The parking plan is being developed with the reserved areas likely planned for the officials and the concession stand staff. It was questioned whether Osbornedale Park would be available for parking. Mr. Bradshaw will research the suggestion.

NEW or OTHER BUSINESS:

Update on the Football/Baseball/Field house Committees

Mr. Cota distributed modifications of the job descriptions that have been reviewed by the Board of Alderman and the Corporation Counsel (attached). The Field House and Baseball Field Building Committee has a meeting scheduled for September 10th at 5:30 p.m. and the Athletic Complex Building Committee is scheduled for September 10th at 7:30 p.m. The Board of Alderman meets on September 12th at 7:00 p.m.

It was questioned whether an AED unit has been placed at the facility. This will be checked with the location being noted for the staff.

MOTION by Bruce Sill and second by Ronald Sill. Move to adjourn the meeting at 8:04 p.m. Motion carried unanimously.

Respectfully prepared,

Karen Kemmesies

Karen Kemmesies, secretary

These minutes are subject to the Commission's approval at their next scheduled meeting.
